**PERMITS ARE ONLY ISSUED TO THE OWNER OF THE PROPERTY WHERE THE WELL IS OR WILL BE LOCATED.**

**Instructions:** This application is used for a well permitted for irrigation use. Domestic wells used in a landscape irrigation system must also be permitted, but a separate application form is available for landscape irrigation.

The application must be completed for the Board to consider at their board meeting. Faxes will be accepted, however the District must receive the original application within 10 working days from the date the fax was sent. An application fee in the amount of \$250.00 and deposit fee in the amount of \$100.00 must also accompany the permit application, however no deposit fee is required if the well has already been drilled. The deposit fee will be refunded to the applicant when all required well information is supplied to the District or if the application is denied both the application fee and deposit fee will be refunded.
