NOTICE OF PUBLIC HEARING ON PROPOSED NEW DROUGHT MANAGEMENT PLAN

The Hill Country Underground Water Conservation District (“District”) will conduct a public hearing concerning the District’s proposed new Drought Management Plan.

The purpose of the public hearing is to provide interested members of the public the opportunity to appear and provide oral or written comments to the District related to the proposed new Drought Management Plan.

The public hearing will be held on Tuesday, March 10, 2009 at 8:00 a.m. at the District Office, 508 South Washington, Fredericksburg, Texas. The agenda will include:

- Receive public comment concerning the proposed new Drought Management Plan.

Written comments on the proposed new Drought Management Plan must be filed (i.e. received by the District and date stamped) with the District no later than 5:00 p.m. on Wednesday, March 4, 2009.

Copies of the proposed new Drought Management Plan may be obtained as follows:

1. calling 830.997.4472, and requesting a copy of the rules
2. visiting the office of the District at 508 South Washington Street, Fredericksburg, Texas 78624; or
3. visiting the District’s website at www.hcuwcd.org

The meeting of the District’s Board of Directors at which the proposed new Drought Management Plan will be considered for adoption will be an open meeting and, at that meeting the public will be allowed to make comments on the proposed rules pursuant to the Texas Open Meetings Act.

Issued This 10th Day of February.

Alton Klier, Chairman
Hill Country Underground Water
Conservation District
